13. TRANSFER OF PLAYERS

A player may transfer from one team to another when the following procedure has been completed.

- A) Notify his current captain of his intentions.
- B) The said player to obtain a transfer form, from the League Secretary.
- C) This is to be completed by the player and signed by both team secretaries or captains.
- D) The completed form to be returned to the League Secretary together with the monetary transfer fee.

Only when the transfer form has been in the hands of the League Secretary for seven days will the player concerned be eligible to play for his new team.

No transfers to take place after 31st December each year. However no restriction will be made for signing new players after this date. Any difficulties arising as a result of transfers / signings will be the subject of a Management Committee ruling and decision. Any transferred player who shall have played in any league cup competition for his first signed team shall be considered 'cup tied' for that competition.
